

## Gracefully Bound

Greatest love there ever could be  
I sometimes question why you love me  
I was covered in sin  
From my head to my feet  
But that's not what you see when you look at me

A beautiful child of God  
Yes, that's me  
With the spirit of Christ living within me

The world rejected me  
And said I wouldn't amount to much  
But Jesus, you have the power  
To change that with just one touch

Your kind words  
Tell a different story  
Of how I would be used to bring you glory

Witnessing to others  
About the Jesus that I love  
And how he reigns down blessings from above

How he intercedes daily on my behalf  
Giving me yet another chance  
Being saved from his wrath

I humble myself  
And submit to his will  
So that in me and through me  
His prophecy is fulfilled

As you step forward  
And take your place  
Always remember that we are bound by his love  
And saved by his grace
