

Train a Child

Train a child in the way they should go
By sowing good seeds to promote their growth
Through song, dance, and the word of God
So when they are old they will not depart
 Teach them to meditate
 On God's word day and night
 So when time comes
They are able to fight the good fight
 Applying the word
 To whatever comes their way
Making sure they are equipped and know how to pray
 Tell them the stories of days gone by
 How God created heaven and earth
 And hung the moon and stars in the sky
 Explain how man was made in God's image
 How the world was perfect until sin entered it
Teach them to study the bible for lifelong lessons
 On how to protect themselves from the enemy
 And obtain their blessings
 Remember, your journey may be long
 And your road may be tough
 But in the word of God
 You can always trust
 That He is faithful
 To complete the work he began
 If you agree
 Say Amen!
